

Bellevue Schools Foundation Presents

# EducationConnections

Education Connections events link people with our programs. They create an opportunity for dialogue between our educators, parents, and community about the special activities that the Bellevue Schools Foundation sponsors in the District.

We encourage and welcome corporations and individuals to join us as Education Connections sponsors.

## **Below are the benefits our sponsors would receive:**

- Logo presence on electronic invitation to over 30,000 people
  - Logo presence on event welcome page
  - An opportunity to provide input on the event theme and content
  - An opportunity to have a representative join the event as an introductory speaker
